# LOOK, SEE THE BIRDS!

## The Birds&Beans® Coffee migratory bird spotting challenge.

**The Birds&Beans Coffee migratory bird spotting challenge** invites guests to try and spot one of the 6 species of migratory birds that are featured on our packaging. They are the **Scarlet Tanager, Chestnut-sided Warbler, Wood Thrush, American Redstart, Baltimore Oriole and Eastern Kingbird.** The first participant to spot each species wins a free 12oz bag of Birds & Beans coffee. The first participant to spot all six species wins a 2lb bag of coffee. Please use the score card below to log your sightings and contact your local Birds & Beans conservation partner to see if you won.

# THIS FARM IS GOOD FOR BIRDS.

## 3 Billion Birds Gone!

Habitat loss at home and in the wintering grounds, and exposure to pesticides and toxic agro-chemicals are leading causes for this loss.

Drink our **Smithsonian® Certified Bird Friendly Coffee®** and help protect the habitats that our migratory birds need. **Good for birds. Good for the planet.**
